**Walleye Weekend 2018:
Fortieth annual festival features tournaments for competitive outdoor fun**

FOND DU LAC—Walleye Weekend—Fond du Lac’s free family festival—is celebrating 40 years of bringing our community together to jump-start summer in Lakeside Park. More than a dozen tournaments will offer outdoor fun and competition during the June 8-10 weekend event. Whether you prefer to fish, golf, run, ride, lift, or play a variety of team sports, you can compete for prizes and bragging rights at Walleye Weekend. And while you’re watching others compete, you can refuel with fest-favorite signature items—like cheese curds, fish sandwiches, and gyros—from the many service organizations staffing stands at the festival Grub Hub.

Register online for most tournament events by May 20 for early bird registration savings; fees will increase after this early registration deadline.

Fundraising for local service organizations and area non-profits is at the heart of Walleye Weekend every year. Along with food stand sales, many organizations benefit from funds raised by tournament fees.

“The running club has been connected with Walleye Weekend for 39 years,” said Fond du Lac Running Club President and 2018 Race Director Shane Smith. “The run makes it possible for us to offer free events throughout the year, such as the youth run, group runs, track workouts, the youth running series, and pub runs. We are also able to give out scholarships to area seniors. The festival and the run have been a great partnership and become a tradition for many families . . . people who grew up in Fond du Lac and have moved away come back and attend the festival and participate in the run.”

Fish are the focus of two big events at their namesake, lakeside festival:

- **Mercury Marine Family Fishing Tournament** (*Saturday, 8 am-noon; Sunday, 8 am-11:30 am*; onsite registration available both days before 8 am)—This FREE family fishing event on Oven Island in Lakeside Park offers competitive categories for family teams and individual children in four age divisions, with trophies awarded for largest total weights caught.
- **Mercury Marine National Walleye Tournament** (*In-person check-in required Friday between 3:30-5:30 pm at tournament HQ on Oven Island in Lakeside Park, followed by mandatory rule meeting at 5:30 pm*; \$310 team registration fee, payable at secure online registration at <http://mercurynational.com/>) This live-release tournament runs both Saturday and Sunday

between 6:30 am and 3:30 pm, with competitor-teams given scheduled start and return times. Fish are weighed and released back into the lake by tournament volunteer staff each afternoon. Prizes are 100 percent payback: first prize is a Tracker Targa V-18 WT powered with a Mercury 150hp plus \$4,000 cash. Cash prizes pay out to 65th place; followed by others prizes down to 80th place. The biggest Walleye each day wins a Mercury 9.9 HP 4-stroke outboard valued at \$3,000.
